FINISHING TOUCHES PUT ON CONVENTION PROGRAM

At the end of last week, yesterday and today the committees of the Kauai Chamber of Commerce have put what may be termed the main "finishing touches" on the Civic Convention program. All of the money required for absolutely smooth sailing is not yet in hand, but is in sight; nor are there quite enough accommodations and automobiles to meet the requirements and desires of that committee. At any rate, however, the committees are so "near the line" that they are not retreating any.

The landing will be made at Nawiliwili, unless the weather should be such as to make Ahukini or some other place more desirable. Nawiliwili is preferred on account of it being closer to Lihue and, moreover, there is more room for the manipulation of automobiles.

THE MORNING BREAKFAST.

There will be no general breakfast Sunday morning as had been at first planned. On the other hand, everybody will turn out at Nawiliwili landing to welcome the

excursion party. Hosts will be there and at once take charge of their guests and conduct them to breakfast. Guests assigned to towns other than Lihue and those assigned to the hotels will be taken to Hotel Lihue for breakfast.

From that point the program will be followed until 12:30 when the entire party will be taken to Niumalu for luncheon, provided the weather is favorable; and if the weather is not so, luncheon will be served at Lihue Social Hall.

All meetings will be held at Lihue Social Hall, except for the session Monday afternoon, when it will be necessary to prepare in that hall for the banquet that evening. Monday afternoon's session was originally set for Hale Hooni theater, but Mr. Lydgate has suggested that Lihue Union church be used instead, and most of the committeemen have already fallen in with this idea.

The program as it now stands is as follows:

(Continued on page 3)

Comes After Witnesses

Deputy U. S. Marshal Heine arrived on Kauai Friday morning to subpoena witnesses in a matter which is being investigated by the Federal Grand Jury at Honolulu. All of the subpoenas were served in the Kalaheo neighborhood. The case itself is still on the secret file.

Manager Myers Away

Manager J. R. Myers and wife, of Kilauea, sailed in the Kinau Saturday evening for Honolulu and the coast where they will tour for three or four months. Their headquarters while away will be at San Francisco.

Wedding At Kapaa

Joe Correa, one of the successful young homesteaders of Kapaa, and Miss Veveiros, daughter of John Veveiros, Sr., section luna, were married Sunday in the Kapaa Catholic church, a reception being held afterward at the residence of the bride's parents.

The Public Invited

The general public is invited to attend the open sessions of the Civic Convention. On account of limited room, however, other sessions will be confined to members of the various civic bodies and persons to whom invitations have been specially extended.

A Baby Christened

There was an interesting christening ceremony at Lihue Union church Sunday morning, the central figure in which was the baby daughter of Mr. and Mrs. Chas. H. Wilcox. The little miss received the name of Margaret Lois.

Committees To Meet

A meeting of all the members of the various Civic Convention committees will be held at the county building, Lihue, at 3 o'clock tomorrow afternoon.

Robert Fountain, of Lihue, went to Honolulu Friday evening on account of the death of Mrs. Spitz, a near relative.

Committees Next

President Avery, of the Kauai Chamber of Commerce, is at work upon the standing committees of the Chamber for the new year, and will announce the names in the near future. A number of new committees will be provided for in proposed amendments to the by-laws which will come up for approval at the next regular meeting.

Kinau Out Friday

On account of having to return with the Civic Convention party Sunday morning, the Kinau will sail Friday afternoon for Honolulu. It is expected that the W. G. Hall will be held to take the mails down Saturday night.

Dr. Hofmann Better

Dr. Hofmann, of Kealia, who broke an arm while attempting to crank his automobile, is getting in fair shape and expects soon to have the use of the injured member again.

Contracts Cancelled

A number of cane contracts entered into between homesteaders above Kapahi and the Lihue Plantation Company have been cancelled on account of uncertainty of a railroad to that locality. Some of the homesteaders affected have signed contracts with the Makee Sugar Company.

Banana Thieves Arrested

Two Filipinos are under arrest at Waimea on the charge of stealing thirteen bunches of bananas from the field of a Chinaman at Hanapepe.

BORN

Kopke—At Kealia, Kauai, Sunday, September 19, 1915, to Mr. and Mrs. Ernest W. Kopke, a daughter.

Mr. Isenberg Coming

Paul Isenberg will come to Lihue in advance of the Civic Convention to assist in arrangements for the big party.

POLICEMAN PULEI DIES AT HANAIEI

Mahi Pulei, a well known Hawaiian police officer of the Hanalei district, died at 11 o'clock Saturday morning after an illness of nearly two years, aged about 60. The funeral took place Sunday afternoon at 4 o'clock, being attended by a large number of friends, interment being in the cemetery at Wainiha.

Deceased left a wife and nine children living. He had 17 children, but had lost eight of them.

Besides being a police officer, Pulei was in charge of the Ahupuaa of Lumahai, except the rice lands, the property belonging to the Liliuokalani Trust.

GETTING READY FOR TOURNAMENT

A meeting was held at Waimea on Sunday at which further arrangements were made for the coming challenge cup tournament.

Messrs. W. H. Grote and A. G. Hime acted as chairman and secretary of the meeting the minutes of which declare that all entries for the tournament must be sent in writing to A. G. Hime of Kekaha or H. Vincent of Lihue, not later than Saturday, October 9th.

Drawing for order of play will be made on Sunday, October 10th, at 3:00 o'clock p. m., on the Lihue Tennis Club's courts.

The opening match will take place the following Sunday.

Further arrangements are left to the Cup Committee, to be determined at the time drawings are made.

Writing to a representative of the Cup Committee recently, Messrs. Wall & Dougherty stated that a handsome trophy had been selected, and is undergoing engraving. Conditions of the tournament are left practically entirely to the local committee. The cup is expected to arrive shortly and will be placed on exhibition.

An entrance fee of \$2.00 per team will be made to defray expenses. Practice is now in order, for the time is short.

MRS. SPITZ DIES SUDDENLY IN CITY

Mr. Spitz, Robert Fountain and other relations went to the city in the W. G. Hall Friday night to attend the funeral, which took place from the Townsend undertaking parlors Sunday afternoon. Interment was at Honolulu.

SCHOOL ROLLS ARE LARGER ALL OVER

There are gains in attendance in practically all schools of Kauai for the first week of the new term over the figures for the first week of last year, the enrollments so far being as follows: Niihau, 45; Mana, 35; Kekaha, 182; Waimea, 446; Makaweli, 205; Elele, 471; Kalaheo, 201; Koloa, 405; Huleia, 65; Lihue, 492; Kauai High School, 53; Hanamaulu, 255; Wailua, 23; Kapahi, 23; Kapaa, 532; Anahola, 61; Koolau, 58; Kilauea, 211; Hanalei, 103; Haena, 38.

The superintendent writes that he wishes the Board of Supervisors to erect a building at the Kapaa school for the class in cooking, which will probably be done.

Since the opening of the schools a week ago yesterday the supervising principal, Mr. Brodie, has visited all of the schools except Niihau and expresses himself as highly pleased with the start made.

DELEGATE LISTS ARRIVING TODAY

Additional names of delegates to the Civic Convention arrived in the mail this morning; also the information that the Hawaiian band will come, 38 pieces strong. The expenses of the latter will be paid by the Honolulu Chamber of Commerce, if desired, but it will be necessary to find places for them to stay at night. The band proposes to give concerts here, and particularly one Sunday afternoon in Lihue park.

A letter from the mayor states that Supervisors Arnold and Hollinger have been named to represent the county.
